Powered by Knowbility

"Good design IS accessible design" - John Slatin

Named after the late John Slatin, a pioneer and leader in web accessibility, AccessU is a web accessibility conference designed to teach accessibility, usability, and inclusive design skills to anyone. Regardless if attendees participate onsite or online, AccessU will be an environment of learning, exploration, creativity, and connection.

Attendees

Whether they are a manager, code-slinger, designer, researcher, content creator, or any other role, AccessU is designed for anyone interested in web accessibility to learn everything they need to know about integrating accessibility into their company.

A Hybrid Event

We will be hosting onsite participants and presenters at St. Edward's University in Austin, TX. Virtual participants will attend sessions, keynotes and networking events simultaneously with their onsite peers.

May 9, 2022
Pre Conference Deep-Dives

Attendees receive a full day of intensive training from one of our 4 workshops

May 10-12, 2022
General Conference

3 days of sessions with experts from around the world, keynotes, networking opportunities and special events
